Www IT Academy

Front-end developer

2022-2023

SKILLS

1. HTML
2. CSS
3. JAVASCRIPT
4. VUE.JS
5. NODE.JS

REFERENCES

I'm not a talker by nature and I approach every job responsibly. What I hate the most is lying and not keeping promises. I try to complete the tasks assigned to me on time. Work documents will be in place. I am interested in Front-end Developer, I want to start my career in this direction.
